INTECC'2023 CALL FOR PAPER

The International Conference on Innovative Technologies for Climate Change **INTECC'2023** is a yearly event organized by Association of Research, Development and Innovation (ARDI) and Higher Institute of Technological Studies of Sfax (ISET Sfax) with the aim of inviting experts to share their experiences and knowledges, expertises, skills, ideas, discuss current challenges and concerns related to climate change and, as a one-stop center – bringing together the experts and practitioners from various disciplines. The conference theme of INTECC'2023 is an accelerating human factors and ergonomics toward an inclusive and sustainable future. It is the mission of this community to embrace and accelerate change as the cornerstone of future development.

Main topics

Topic 1 : Environment & Climate Change

Topic 2 : Food Security & Sustainability

Topic 3 : Renewable Energy Sources

Topic 4 : Digital Technologies for Sustainable Development

Topic 5 : Capacity Building and Innovation solutions for sustainable development
